Our Mission...

*Friends of Kids with Cancer is devoted to enriching the daily lives of children undergoing treatment for, and survivors of, cancer and blood-related diseases. **Our mission** is to be an advocate for these special kids and provide them and their families with the educational, emotional and recreational support needed as a result of the long hours of chemotherapy, illness and isolation.*

Friends of Kids with Cancer

@FOKWC

To our great Friends,

It is our pleasure to present the 2013 Friends of Kids with Cancer Annual Report. As we reflect back on 2013, we can't believe how quickly the year flew by. Unfortunately for the children we serve, the clock ticks much slower as they endure the trials and tribulations of chemotherapy and painful procedures. Coming to terms with this harsh reality helps make all your hard work and generous support more impactful for how Friends of Kids with Cancer **helps kids with cancer...be kids!**

Your support of our Educational, Emotional and Recreational Programs provide the tools needed to keep the kids and their families focused during a stressful time in their lives. Your donations help:

- **Pay for Art and Play Therapy** so that the kids can openly express their feelings, confusion and fear.
- **Pay for Educational and Motivational Assistance** (tutoring) developing self-esteem and motivation while combating long term cognitive effects caused by severe cancer treatments.
- **Treat a family to a special outing AWAY from his/her treatment center.**
- **Buy toys for the toy closet** to help erase all the bad episodes of their painful treatment.
- **Buy a Special Assistance/Relapse gift** to boost their morale and give hope, comfort and energy as they begin their intense treatments.

This Annual Report is a record of our financial success for 2013. Reports such as these highlight our achievements in dollars signs. At Friends of Kids with Cancer, the kids' smiles and the endless notes of appreciation from parents and medical staff prove success far beyond the financial scope. Combined, these substantiate that we are accomplishing our unique goals to help kids with cancer **Think, Feel and Smile** every single day!

Without our sponsors, volunteers, Board Members, Third Party organizers and everyone else, we couldn't do what we do. Your belief in and dedication to our mission is endlessly appreciated and your friendship made a difference in 2013. From the bottom of our hearts, we send you our sincerest **"Thank You"** for supporting Friends of Kids with Cancer and our mission to help these special children and their families.

With our utmost appreciation,

Rick Lommel

Every day, kids with cancer, their siblings, and parents are given the opportunity to **think, feel, and smile** through our **educational, emotional, and recreational** programs. We don't just give away toys or candy to sick children; we **engage minds, instill confidence,** and create a **positive atmosphere** while these families fight their toughest battle.

Educational

Education, school and critical thinking are vital aspects to a child's growth and development, both mentally and socially. Our team of Educational Specialists facilitate those missing elements while battling the long-term cognitive effects of cancer treatment on the child's learning ability.

Educational Testing Program

- Dr. Jim Russell conducts ground breaking baseline tests to detect future learning disabilities that intense cancer treatment can have on children.
- With these tests, parents and hospital professionals can work better with schools and faculty on the best way to approach each child's curriculum.
- This program gives children the tools they need to succeed in the classroom.

Jim Russell Ph.D., L.L.C.
National Certified Counselor
Educational Consultant

Jake's iPad Crew

Jake Franzel's selfless passion was raising money for teens in treatment to receive iPads. The Franzel family continued this fund in his memory and in 2013 alone, has awarded 16 iPads.

EdMAP: Educational and Motivational Assistance Program

Services provided at the treatment centers and Webster Groves Learning Center are designed to :

- Provide individual and small group on-site sessions
- Contribute to the child's success in school
- Monitor the child's progress in school
- Help each child overcome and cope with any adverse effects of chemotherapy
- Provide for the development of self esteem and motivation
- Continue to nurture self esteem and motivation in each child

Owner, Webster Groves Learning Center
Certified MO K-12 and Special Education

Survivor's Scholarship Program

In 2013 this program provided 11 scholarships to young cancer survivors graduating high school and continuing their education in college.

2013 Scholarship Recipients:

William Banks • Sasha Edwards • Abigail Hoyt • Elizabeth Kozeny
Maddie Maple • Mary McKee • Christopher Shaw • Emily Shy
Dean Sindel • Meghan Uthoff • Alexander Venardos

Although my journey with cancer has had its ups and downs, it has given me the opportunity to learn and grow as an individual, and I have met some of the most incredible people along the way who influenced my life immensely. As I continue on to the next chapter of my life, I remember all of those who have played such a huge role in helping me get to where I am today."

-Elizabeth Kozeny, 2013 Scholarship Recipient

Emotional

Our emotional programs provide creative and focused options to ease the burden placed on both these special kids and their families.

- Provides a means of communication when words cannot suffice
- Addresses emotional, social, psychological and spiritual issues
- Creates a therapeutic relationship of trust between patient and therapist
- Encourages free expression
- Enhances self-esteem

Art Therapy
Natasha Westridge-Wood, ATR-BC
Licensed Art Therapist

- Provides an appropriate counseling approach to young children because they naturally communicate through play
- Provides specifically chosen toys that allow children to develop self understanding, explore real-life situations, and resolve inner conflicts
- Offers a safe environment in which children can express their feelings, wishes and needs
- Alleviates some of the pressures parents feel with a non-expressive child

Play Therapy
MaryAnn Lingg, Ph.D.
Licensed Professional Counselor

- Designed to help families deal with pressures faced during cancer
- These programs provide free counseling services to families and individuals in need
- Allows families to work out their feelings and frustrations
- Individual counseling sessions for adolescents suffering from cancer, their parents and siblings
- Support Groups for siblings and parents

Counseling **Support Groups**
Dr. Kurt Soell, PhD Jill Turec
Licensed Psychotherapist Developmental Specialist

Recreational

Our recreational programs are the cornerstone of our organization. We are able to provide toys, entertainment, gifts, tickets, and many other things in hopes of brightening a patient's day. Most importantly, we provide smiles and memories for the kids, their siblings and parents to take from one day to the next.

Special Assistance Program

Provided special gifts & gift cards to more than 269 kids in treatment in 2013. Gifts totalling more than \$72,000.

The Erna Deutsch Fund

Provided those extra special things that create smiles and irreplaceable memories, totaling more than \$15,000 in 2013.

Toy Closets/ Toy Chests Program

Our inaugural program in 1992 provided each treatment center we serve with a closet full of toys on-site. Kids battling cancer and their siblings get a break from their treatment...and smile!

Munchie Mondays Program

Provided lunches, snacks, goodies and special dinners to families at the treatment centers once a week.

The Ian Kyle Fund

Relapse is a word that no one ever wants to hear. We try to help kids forget about it. There were 40 Ian Kyle's awarded in 2013, totaling \$12,000!

Smile Makers Program

Provided more than \$40,000 worth of tickets to Rams, Blues, Cardinals, The Fox Theatre, The Muny and concerts for kids and their families

Family Parties Program

Provided funding for Family Parties such as Magic House, Halloween Party, Winter Wonderland, two Family Nights at Busch Stadium, a trip to the St. Louis Zoo and Build-A-Bear party.

End of Chemotherapy Parties

Provides gifts, cakes and all things needed to celebrate a patient's final day of chemotherapy treatment.

Entertainment Program

Provided funding for the "must-haves" for the long hours spent at the treatment centers: DVD players, computers, recliners, movies, games, CDs, and much more!

Maddie's Wish

In memory of Maddie Bayer, this special fund is designated to send the immediate families of patients to musical productions. Sent 90 kids to shows, plays, circus and more in 2013!

Our Best Friends

The "Friends" office is comprised of a small staff and relies heavily on the help of our many wonderful volunteers. It seems there is no job too big or too small for our "Best Friends". We cannot say **THANK YOU** enough to all of our volunteers, committee members, Board Members, and of course the doctors, nurses and staff at all of the cancer centers for making our mission possible.

YOUNG Friends of Kids with Cancer

2013: A Year in Review

Katy Breen, YFOKWC President

Young Friends had a busy and exciting 2013! We had 30 young professionals serve as board members. Each board member attended monthly board meetings and individual committee meetings. One of our goals was to continue to increase the young adult awareness and participation with Young Friends of Kids with Cancer. The "Young Friends" help supports Friends of Kids with Cancer's governing board activities.

We had many fun events planned in 2013 to build awareness for the charity. In May 2013, we held our annual **Mouse Races** fundraiser with around 150 people, while raising \$10,000! **Constellation Classic** took place in Fall 2013 and everyone had a great time playing a round of glow ball or miniature golf with friends and family. In

December, we held our annual toy drive, **Toys and Toddlies**. We were able to collect toys and gift cards for the three treatment centers.

In addition to our events, we organized two nights at the Magic House for the patients and their families. Both nights were filled with food, entertainment, and awesome gift baskets. Our service committee continued to work on projects for the treatment centers. These projects included: Buckets of Love, Candy Bouquets, and delivering meals to families in the hospital.

This young professionals group is composed of young adults in the community who have a passion for Friends of Kids with Cancer and its mission. Additionally, many members are young adult cancer survivors that were once beneficiaries from the services provided by "Friends". Together we seek to bring support to the organization in exciting and unique ways.

These notes are for **YOU!**
Thank you for your support!

From some patients:

Us kids at St. John's Mercy hospital and cancer center would like to thank you for everything you do for us. Specifically for stocking our food pantry, gift cards, and most recently our ipads. We would also like to thank you for all the tickets and chances to meet the players. Also for Tom and Tasha.

From some parents:

Dear Friends of Kids with Cancer,

I don't know where to even begin to thank you for all of your help this year. Our trip to Florida in May would have never been possible without the gift cards from you. The girls had the most amazing time and looking back, I am so thankful to have that time together before Mackenzie got sick again. Additionally, now that she is sick, it is so nice to know that we have your organization in our corner, fighting along with us. You have never left us in all these years and I am thankful each and every day for you!

Love, Shana

Thank you Friends for everything you have done for Aiden through his journey this last 9 months! Your attention to detail is impeccable! It is so awesome that you take the time to make sure every child gets what they want. It really makes the treatment days a little easier. My son would quickly forget about his bad treatment day when he got to go to the toy closet and pick out a new toy. On those really awful days it was such a blessing to have a gift card you gave us to treat Aiden to a special shopping trip. We cannot thank you enough for everything you do for ALL the kids in need. God Bless you for all the good things you do ☺

Sincerely, Julie
