2010 FASHION SHOW Patient and Survivor Models Rule the Runway!

CLAYTON, MO –The 18th Annual Friends of Kids with Cancer Fashion Show and Boutique on Thursday, November 4th, at the Ritz-Carlton in Clayton raised \$120,000 for our programs!

The stars of the show were current patients in treatment for cancer and our 3rd Survivor Class, some of whom have participated previously, returning for a another walk down the runway.

The luncheon and dinner shows attracted over 1,100 people throughout the day and night. The red-carpet gala featured boutique shopping, gourmet food and plenty of well-dressed patrons. MC **Guy Phillips** of Y98 was back for the luncheon, and **Julie Buck** of KLOU 103.3 MC'd the dinner for the 1st time. **Jan McCormick** kept the energy going during the show as usual! Also a special thanks to **Adam Jokisch** for donating his time as the auctioneer, and to survivor **Sarah Voss Horrell**, who came from Virginia to speak!

But most of all, it features the kids and celebrates their courage. Each model gets a bevy of gifts suited to their personal preferences, from a Barbie-themed Power Wheels convertible to a full-sized basketball hoop for the backyard!

In the midst of all the gifts, the pizza/pool party in-between shows and a fun night's stay at the Crown Plaza hotel, something larger comes out of this experience for the kids. It is a real opportunity to build their self-esteem and confidence, making every kid feel beautiful and allow them to walk in

the limelight to thunderous applause.

The **Fur and Leather Centre** along with **Dillard's** at the Galleria and **Distinctions** displayed the hottest Fall and Winter fashions.

Thank you to **Bella Gente Salon** for the hair and make-up on our beautiful models, and to **Patti Gabriel** for taking pictures of all the kids, including those seen here. Also to **Videogate**, for producing a video of this memorable day. We would also like to recognize the chairs of the event: **Mary Mercurio**, **Debbie Stock** and **Merri Cross**. Without them and our volunteer committee, none of this would be possible!

Our Mission

Friends of Kids with Cancer is devoted to enriching the daily lives of children undergoing treatment for cancer and blood related diseases.

Our mission is to be an advocate for these special kids and provide them and their families with the recreational, educational, and emotional support needed throughout the long hours of chemotherapy, illness and isolation.

Dear Friends,

It is always a joy working on behalf of *Friends of Kids with Cancer*, and now it has been a special privilege to serve as president the past two years. I am continually heartened by the outpouring of kindness and generosity from our supporters. Kids in treatment are afforded access to so many important resources that would not otherwise be possible without your help. It's not just the fun distractions from the rigors of treatment that help - toy closets, tickets to the Rams, Blues, Cardinals and so much more. They can also get assistance with many of their daily challenges through Educational Testing and Tutoring, Art Therapy, Play Therapy and more. We hope you had a blessed holiday and have a hopeful New Year. Thanks for all you do for the kids.

All best,
Kathy Manganaro Richey
President 2009-2010

Board of Directors Has a New Look in 2011

Friends of Kids with Cancer proudly welcomes the incoming officers for 2011-2012, listed on the left. We look forward to their contributions, and would like to thank **Kathy Manganaro Richey** for guiding this charity through an amazing two years as president.

We also welcome a new Board Member this year, **Matt Biffignani**, who has served on the Golf Committee for many years and helped

Friends through his company, Fiserv.

We must, unfortunately, bid farewell to four Board Members who are stepping down after many faithful years of service. We will always have a special place in the Friends family for **Karen Dubinsky, Margaret Landolt, Nicci Murphy, Tom O'Shea** and **Vic Richey**. They have helped build this organization to where it is today. Thank you!

Bryan (right), an adult cancer patient at St. John's, was so inspired by Chris' artwork from Art Therapy that he purchased it from him for \$250!

Charlie Grady, a current brain tumor patient, handed out toys to other kids in treatment at Children's Hospital. The toys were collected by his parents and his dad John's company, McCarthy Construction.

4 Winter Wonderland Party Finds a New Home!

After many wonderful years at **St. John's Mercy Medical Center**, the Winter Wonderland had simply outgrown the space due to all the kids and families who wanted to participate. So, this year the annual patient/family event tried **America's Incredible Pizza** on for size, and it fit perfectly!

Over 750 patients, families and survivors from all three treatment centers had the place to themselves, as *Friends* rented out the whole facility. Parents enjoyed some time to visit while kids took advantage of all the games, crafts and of course pizza at the huge space in South County.

This party was made possible this year through

a donation from **Leukemia 24/7**, a foundation started by our special friend, **Todd Zick**. Todd passed away last year and always supported *Friends* as best he could through his foundation despite fighting cancer himself, most recently through the Bandana Bash and Pig Roast. We would like to thank Todd and his family for this gracious and amazing gift they gave to the kids and their families. Also, we would like to thank **Cindy and Alan Woods** for organizing and putting this event on each year.

Friends of Kids with Cancer 2010 Scholarship Winners

Each year, *Friends* gives a \$1,000 scholarship to survivors that are either beginning or going back to their college education.
