Our Mission...

Friends of Kids with Cancer is devoted to enriching the daily lives of children undergoing treatment for cancer and blood related diseases.

Our mission is to be an advocate for these special kids and provide them and their families with the recreational, educational, and emotional support needed throughout the long hours of chemotherapy illness and isolation.

Friends of Kids with Cancer

Friends of Kids with Cancer Staff

Judy Ciapciak, Executive Director
Brandy Lucero, Associate Director Kyle Tons, Communications Assistant
Karen Corson, Office Manager Molly Henry, Budget Director Margie Sedlack, Program Director

Dear Friends,

In 2012 we celebrated the 20th Anniversary of Friends of Kids with Cancer! We enjoyed a wonderfully successful year and are proud to present our 2012 Annual Report.

We would like to share a little history with you...The first program that Friends of Kids with Cancer offered was the 'Big Shelf'...a special place where the kids could select a 'gift of their choice' after their treatment. There were a few volunteers who would shop and keep the shelves filled with a limited budget. That acorn of a project has grown to a mighty oak tree in just 20 years!

The charity is now supported by more than 350 active volunteers who are dedicated to serve the more than 1,000 children and their families. Your tremendously generous support, along with our fundraisers and other third party events help generate the \$1.1 million budget we use toward our Educational, Emotional, and Recreational Programs. As we continue to grow and serve more children, our success is largely due to your important contributions, for which we owe many thanks.

Our Educational Programs provide tutoring and testing assistance to help the child stay focused, confident and on grade level. Another Educational Program is a scholarship program for cancer survivors. The Emotional Programs provide creative options to ease the burden placed on both these special kids and their families. The Recreational Programs are the cornerstone of our organization and provide never-ending smiles and memories for the kids, their siblings and parents.

We are most grateful for your continued support...friendship...and dedication to the children who we serve! We thank you for your devotion to our mission to provide the best possible services to the children and we remain dedicated to "Helping kids with cancer...be kids!"

With much appreciation,

Allen Brockman
President

Judy Ciapciak
Executive Director

Friends of Kids with Cancer

Our Programs

Here are the three ways your donation helps kids with cancer...be kids!

Educational

Recreational

Emotional

Think. Feel. Smile

Every day, kids with cancer, their siblings, and parents are given the opportunity to **think, feel, and smile** through our **educational, emotional, and recreational** programs. We don't just give away toys or candy to sick children; we **engage minds, instill confidence**, and create a **positive atmosphere** while these families fight their toughest battle.

Mercy Children's Hospital St. Louis

Mercy Clinic Children's Cancer
and Hematology Center
David C. Pratt Cancer Center

Cardinal Glennon Children's Hospital

Bob Costas Cancer Center
St. Louis University Radiation Center

St. Louis Children's Hospital

Hale Irwin Clinic
Siteman Cancer Center

Educational

Education, school and critical thinking are vital aspects to a child's growth and development, both mentally and socially. Our team of Educational Specialists facilitate those missing elements while battling the longterm cognitive effects of cancer treatment on the child's learning ability.

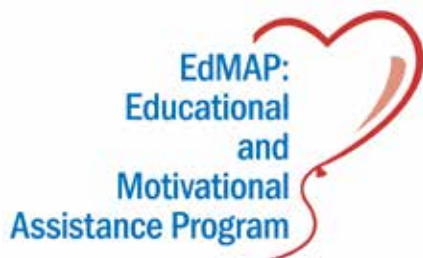

Jim Russell Ph.D., L.L.C.
National Certified Counselor
Educational Consultant

- Dr. Jim Russell conducts groundbreaking baseline tests to detect future learning disabilities that intense cancer treatment can have on children.
- With these tests, parents and hospital professionals can work better with schools and faculty on the best way to approach each child's curriculum.
- This program gives children the tools they need to succeed in the classroom.

Jake's iPad Crew

• Jake Franzel's selfless passion was raising money for teens in treatment to receive iPads. The Franzel family continued this fund in his memory and awarded 10 iPads in 2012.

- Services provided at the treatment centers and Webster Groves Learning Center are designed to :
 - Provide individual and small group on-site sessions
 - Contribute to the child's success in school
 - Monitor the child's progress in school
 - Help each child overcome and cope with any adverse effects of chemotherapy
 - Provide for the development of self esteem and motivation
 - Continue to nurture self esteem and motivation in each child

Tom Mulvihill, EdMap
Owner, Webster Groves Learning Center
Certified MO K-12 and Special Education

- In 2012 this program provided ten scholarships to young cancer survivors graduating high school and continuing their education in college.

2012 Scholarship Recipients:

Andrew Crowley • Shelby Giesler • Ashley Gregory • Robneisha Jackson • Kevin Liberman • Brett Littrell • Garrett Oligschlaeger • Kendra Ramsey • Joey Renick • Sean Shannon • Kane Weinberg

"Cancer has transformed me into the man I am today, although it hides in the shadows this blessing in disguise taught me how to be courageous, harness my strength, remain determined, keep my faith, appreciate life and how to love others. I do not wish this disease upon my worst enemies, but I do not resent receiving it. In circumstances such as these the people who truly love you come into your life and the ones who do not walk out of your life. Cancer has drawn back the curtains and revealed my true family and friends."

-Joey Renick, 2012 Scholarship Recipient

Emotional

Our emotional programs provide creative and focused options to ease the burden placed on both these special kids and their families.

- Provides a means of communication when words cannot suffice
- Addresses emotional, social, psychological and spiritual issues
- Creates a therapeutic relationship of trust between patient and therapist
- Encourages free expression
- Enhances self-esteem

Art Therapy
Natasha Westridge-Wood, ATR-BC
Licensed Art Therapist

- Provides an appropriate counseling approach to young children because they naturally communicate through play
- Provides specifically chosen toys that allow children to develop self understanding, explore real-life situations, and resolve inner conflicts
- Offers a safe environment in which children can express their feelings, wishes and needs
- Alleviates some of the pressures parents feel with a non-expressive child

Play Therapy
MaryAnn Lingg, Ph.D.
Licensed Professional Counselor

- Designed to help families deal with pressures faced during cancer
- These programs provide free counseling services to families and individuals in need
- Allows families to work out their feelings and frustrations
- Individual counseling sessions for adolescents suffering from cancer, their parents and siblings
- Support Groups for siblings and parents

Counseling
Dr. Kurt Soell, PhD
Licensed Psychotherapist

Support Groups
Jill Turec
Developmental Specialist

Recreational

Our recreational programs are the cornerstone of our organization. We are able to provide toys, entertainment, gifts, tickets, and many other things in hopes of brightening a patient's day. Most importantly, we provide smiles and memories for the kids, their siblings and parents to take from one day to the next.

Special Assistance Program

Provided special gifts & gift cards to more than 325 kids in treatment in 2012. Gifts totalling more than \$102,000.

Smile Makers Program

Provided over \$43,000 worth of tickets to Rams, Blues, Cardinals, the Fox, the Muny and concerts for kids and their families

The Erna Deutsch Fund

Provided those extra special things that create smiles and irreplaceable memories, totaling more than \$12,000 in 2012.

Toy Closets/ Toy Chests Program

Our inaugural program in 1992 provided each treatment center we serve with a closet full of toys on-site. Kids battling cancer and their siblings get a break from their treatment...and smile!

Family Parties Program

Provided funding for Family Parties such as Magic House, Halloween Party, Winter Wonderland, two Family Nights at Busch Stadium, a trip to the St. Louis Zoo and Build-A-Bear party.

The Jill Turec Fund

Sponsored by The Bill and Amy Koman Foundation, Friends was able to spend \$31,000 just to make our families smile.

Entertainment Program

Provided funding for the "must-haves" for the long hours spent at the treatment centers: DVD players, computers, recliners, movies, games, cds, and much more!

Munchie Mondays Program

Provided lunches, snacks and goodies to families at the treatment centers once a week.

The Ian Kyle Fund

Relapse is a word that no one ever wants to hear. We try to help kids forget about it. There were 42 Ian Kyles awarded in 2012, totaling \$21,000!

Maddie's Wish

In memory of Maddie Bayer, this special fund is designated to send the immediate families of patients to musical productions.

Our Best Friends

The "Friends" office is comprised of a very small staff and we rely heavily on the help of our many wonderful volunteers. It seems there is no job too big or too small for our Best Friends. We cannot say **THANK YOU** enough to all of our regular volunteers, committee members, Board Members, and of course the doctors, nurses and staff at all of the cancer centers for making our mission possible.

"Volunteers do not necessarily have the time; they just have the heart". ~Elizabeth Andrew

A Year in review: 2012

by Katy Breen, Vice-President

Young Friends of Kids with Cancer had a busy year in 2012. As a young professional board we tried to increase our involvement with Friends of Kids with Cancer events and continued to increase awareness and participation with Young Friends of Kids with Cancer.

As a board we hosted our first Membership Happy Hour at Hacienda last July. It was an open board meeting where new faces received information about our events and the charity's

mission. Last year was also the first time for the Mouse Races where we had over 200 attendees and we raised \$12,000 and had a lot of fun cheering on mice. Our signature event, Constellation Classic, was a fun summer event with glow ball, mini golf, food, and live music. For our annual holiday happy hour, Toy and Toddlies, we hosted 126 attendees at Maggie O'Brian's. We received \$1,540 in cash, \$280 in gift cards, and \$2,500 in toys.

The service committee is a new addition to our committees this year; we wanted to allow the Young Friends to feel a little more connected to the charity. Some of their projects include: Buckets of Love, and delivering snacks and holiday meals to treatment centers.

2012 Fundraisers Constellation Classic Mouse Races Toys and Toddlies

Our Mission:

We're young professionals, and with the joys of childhood still fresh in our minds, we can support Friends of Kids with Cancer in exciting and unique ways.

On behalf of the kids and families that we serve, it is with sincere gratitude we thank all of those who contributed in 2012 to make Friends of Kids with Cancer so successful.

Dear Friends of Kids with Cancer,

Thank you so much for the generous gift to improve my room. It is now a place for me and my friends to hang out. I am so grateful of you thinking of me. Friends of Kids gives me so much support and picks me up when I'm down. When I'm invited to the many events and opportunities you provide me and my family, it gives us time away and a fun time. I am grateful that you are always at my side.

Thanks a lot!,
Nathan

Dear Friends of Kids with Cancer,

I just wanted to thank your organization for all that you do to help families affected by childhood cancer. My son recently had to have a bone marrow transplant while battling a relapsing brain tumor. You've been there with us, showing support from the very beginning (providing toys while he went through radiation, gift cards, Christmas parties, snacks in the bone marrow unit, etc.). I just wanted to let you know that my family and I really appreciate all that you do.

-Parent

Thank you for your support of Friends of Kids with Cancer!

20 years strong!

Friends of Kids with Cancer celebrated its 20th Anniversary in 2012! In 1992 we started stocking toy closets and since then we've grown both in programs, volunteers and the amount of children we are able to serve. We'd like to take a quick stroll down memory lane and thank you for your gracious support!
