## HOLIDAY HEROES

**YOUR** support greatly contributed to an amazing year of growth and success for Friends of Kids with Cancer. As we flip the calendar over to 2015, we want to THANK YOU for helping kids with cancer...be kids.

We ended 2014 by granting many holiday wishes for patients and their families. Once again, our friends at The Kelly Hager Group Real Estate Services sponsored their Adopt-A-Family program which made the holidays extra special for thirty families. Santa and his reindeer greeted families as they arrived for their exciting afternoon. Our amazing volunteers of all ages provided music, games, special treats and then packed the cars to the brim with their holiday surprises. Additional families were generously adopted by employees from Amerisure Insurance, and the Haas, Cross, Joerling and Quirk families.

*"Thank you! Our family was adopted for Christmas and my heart is so full of gratitude to all who helped. We have never had such an exciting Christmas morning opening presents! The gifts were exactly what the kids dreamed of receiving. Also, thanks for the holiday party at Sports Fusion - we had the best time with our kids just playing and forgetting what lies ahead. Your work is so appreciated by all families whose lives are in constant havoc. Thanks a million times over!"*

We were fortunate to have several incredible Toy Collection efforts before and throughout the holiday season from Nehring Designs, Murphysboro High School, Bristol Elementary School (see pg. 5), RJP Electric, Ezra Leslie (see pg. 8), Young Friends of Kids with Cancer (see pg. 6) and more!

Our holiday efforts didn't stop there! That famous "Elf on the Shelf" made daily surprise visits at the treatment centers. The kids anxiously searched for him and received a prize when he was found. What a fun distraction for these kids from their daily routine!

About a week before Christmas, a young patient in the hospital said to his nurse, "I always buy my Mom and Dad presents. Since I'm here, I don't know what to do about it this year." Friends of Kids with Cancer was immediately contacted once again. Volunteers put their own baking and shopping on hold to set up a store for the in-patients to choose that special gift for their parents and siblings. They were so happy and proud wrapping their gifts to surprise their families!

CBS Sports 920am and insideSTL.com kicked-off their second annual week-long toy drive for Friends of Kids with Cancer at Lucky's Dueling Piano Bar. Their efforts were sponsored by Ryan Kelley, Cardinal Door and Fun Tyme Limousine. At the conclusion of the toy drive, a huge SUV-stretch limo dropped all the toys off while several patients and their siblings were visiting the 'Friends' office! Everyone even had the chance to take a ride in the limo after moving the toys into our Toy Closet!

# OUR MISSION

Friends of Kids with Cancer is devoted to enriching the daily lives of children undergoing treatment for, and survivors of, cancer and blood-related diseases. Our mission is to be an advocate for these special kids and provide them and their families with the educational, emotional, and recreational support needed as a result of the long hours of chemotherapy, illness and isolation.

## WELCOME FROM INCOMING PRESIDENT

It's such an honor to become President of Friends of Kids with Cancer. I have huge shoes to fill, but I am confident that with the support of our Board and the Friend's staff, we will continue doing wonderful things to support these very special kids and their families. I would be remiss if I did not start with a huge thank you to our immediate past President, Rick Lommel. Rick has an unbelievable passion for these kids and has made an impact on the direction of the organization. As we celebrate our past, we are also preparing the organization for its future so that we are able to reach out to more kids and their families by brightening their day and helping kids with cancer be kids! We would like to thank each and every one of our supporters for your ongoing commitment, generosity and dedication. Working together with our family of Friends, allows us to bring smiles to all of these beautiful faces! - **Mary Mercurio, President**

## FAREWELL FROM OUTGOING PRESIDENT

I have mixed emotions leaving the position of president as I will be sad that the honor of leading such a devoted Board of Directors must end. This organization is comprised of such talented individuals who all share in the common goal of making the lives of children we serve more enjoyable. Our Board is extremely dedicated and energized by the amount of "Thank you" letters and notes we receive from parents. That in itself makes our efforts so worthwhile. In closing, I want to thank Judy Ciapciak and her entire staff at Friends for their dedication and hard work each and every day, night and weekend. Have a fantastic 2015 and please continue your support of our wonderful charity. - **Rick Lommel, President Emeritus**

## INCOMING BOARD MEMBERS

**Kelly Hager** - Never forgetting the importance of giving back, she has been extensively involved in local charities and holds a special passion for helping children. A life-long resident of the St. Louis area, she is a graduate of Maryville University and in 2005 she founded The Kelly Hager Group. Hager and her team have sold more than \$177 million in real estate throughout the St. Louis metro area in less than a decade. She is designated as one of "St. Louis' Top One Percent" of real estate agents as well as one of the top five St. Charles highest selling real estate agents.

**Sharon Huber** - Since being introduced to us more than 15 years ago, Sharon has loved Friends of Kids with Cancer's work in the St. Louis community. She and her late husband, Doug, owned and operated the Broadcast Center, WEW Radio and two community oriented newspapers, West Newsmagazine and Mid Rivers Newsmagazine, which she still currently publishes. Sharon has board of director experience with Chesterfield Arts, Chesterfield Chamber of Commerce and Progress 64 West. Sharon's two sons, Max and Jack, are both graduates of Saint Louis University.

**Rick & Molly Henry** - As co-founders of the organization, following the loss of their two year old daughter, Ellen, to cancer, they have seen this organization grow and lovingly serve thousands of children and families over the past 23 years. They each have served on the board from 1992-2012 and we are thrilled to have them return after a short sabbatical. Rick and Molly met at Kansas University in Lawrence, KS. Family ties and Rick's engineering job brought them to St. Louis. Since Rick's retirement from MKT Manufacturing Company, he is honored to return to the board. Molly has graciously accepted the position of honorary board member, in addition to continuing her employment as the part-time budget director for Friends, a position she has had since 2001.

## HOLIDAY HEROES continued...

Christmas Eve was eventful for the Paasch family as they delivered gifts and meals, all while accompanied by Santa! After collecting funds from family, friends and co-workers at Scottrade, one of our special families received everything on their Christmas list. In addition, the Paasch family purchased and delivered Christmas Eve dinner for this family, as well as the entire Pediatric Oncology floor at Children's Hospital. They were truly able to make the holidays special for so many deserving people!

Students from Chaminade and Vianney High Schools volunteered to decorate several patients' houses. Can you imagine the families' excitement when they drove up to their homes full of beautiful lights and holiday decorations after spending days/nights away in the hospitals? This surprise was a great way to turn some frowns upside-down and truly get in the holiday spirit!

Two families in desperate need of transportation to and from the hospitals for treatment appointments and more, received the surprise of their lives in December! Gapsch CARSTAR Collision Center refurbished two automobiles donated by Allstate. What a relief for these families now having reliable means to get their child to treatment.

## Bonnie's Climb for Cancer

Bonnie Dinkel from Houston, Texas decided to plan a once-in-a-lifetime journey to climb Mt. Kilimanjaro in Tanzania, Africa. She wanted a way to remember and honor the many people battling cancer or who lost their battles and would never be able to pursue their dreams. Because of this and receiving inspiration from her own personal victory with cancer, Bonnie wanted this trip to be more meaningful and not just about her accomplishment. So with that in her mind and heart, she 'climbed for cancer' and set a goal to earn a \$1 donation for each of the 19,341 feet to the summit of Mt. Kilimanjaro for the benefit of Friends of Kids with Cancer!

*"Over the past 4 years, I have personally experienced the love and compassion of this charity at our annual Steelcase Wreath and Menorah event. Listening to the parents and the children talk about what FOKWC provided for them during the worst possible time in their lives tugged on my heartstrings in a big way. As I thought about doing the climb for a bigger purpose, there was never a doubt that the money donated would go to Friends of Kids with Cancer. The work you do is amazing and I am humbled and honored to be able to contribute in a small way to this amazing organization!"*

Bonnie not only successfully climbed all 19,341 feet to the top, she also reached her monetary goal and presented a check in the amount of \$19,341 to Friends of Kids with Cancer at the recent Steelcase Wreath and Menorah event.

**THANK YOU, Bonnie, for raising money while accomplishing your dreams so that some of our patients can achieve theirs! We encourage EVERYONE to adopt her favorite quote...**

**"Do as much as you can, for as many people as you can, for as long as you can". (Peter Wege)**

### Memorial Tribute from the Young Friends of Kids with Cancer

*In grateful recognition of John Henry, son of Friends co-founders, Rick and Molly Henry. John was the Young Friends Vice President, dedicated Board Member and our dear friend. You are truly missed by all of us!*

## WELCOME FROM INCOMING PRESIDENT

Hello! My name is Maura Garascia and I am very excited to be stepping in as President of the Young Friends board for this year. I have been serving as a board member since 2012 and then as Secretary on our Executive Board for the last two years. We had a very memorable 2014 which kicked off with our Voodoo in the Lou event in January. Our board members continued working hard throughout the year on our other events including our Membership Happy Hour in July, Mouse Races in September, and Toys and Toddlies in December. In addition to planning events, our board members also devoted their time to promoting membership, volunteering for Friends of Kids with Cancer events, providing service to our local hospital partners for children in need, and keeping all board members and volunteers up-to-date on current information with our social media sites. I am truly honored to work with such a gifted group of young professionals as we all continue to dedicate our time to serving both our own mission and supporting Friends of Kids with Cancer. Thank you to Katy Breen for all your hard work!

## FAREWELL FROM OUTGOING PRESIDENT

My name is Katy Breen and the past two and a half years I served as the Young Friends of Kids with Cancer president. It has been an amazing experience to work with such a dynamic group of young, dedicated professionals. It has been exciting to see our board grow in number and work hard to reach our goals. Our events have been a success and I have confidence they will keep getting better each year. Thank you for allowing me to serve as the president! I will continue to stay involved with Friends of Kids with Cancer.

### THANK YOU FOR YOUR SUPPORT IN 2014:

## 'Friends' Needs YOUR Help! Will you Be a Friend?

For Friends of Kids, "Going Green" is new, will you? Will you help us, that is! We are purchasing NEW software to serve YOU better and dramatically decrease the amount of paper we use.

YOU can help by going to [www.friendsofkids.org](http://www.friendsofkids.org), click on our "Contact Us" tab and fill in your updated contact information, even if you have been a Friend since the beginning!

This will give us updated information as we convert our existing database to a new software system. We're going Green and we couldn't be happier. Will you help us?

## Welcome to our NEWEST Staff Member, Diane Saale, Director of Development

Diane Saale has recently joined our team as the Director of Development. She comes to us with more than 20 years of fundraising and grant-writing experience. In her free time, Diane volunteers for other organizations that strive to make a difference, enjoys horseback riding, coaches cheerleading and gymnastics, as well as being mom to daughter, Taylor and son, Clayton. Her husband, Shawn, is also an active community volunteer as are their two children. Diane's upbeat and energetic personality lends itself well to our cause of helping children and families. If you have suggestions about ways you can help "Friends", please give her a call at (314) 275-7440 or email at [diane@friendsofkids.com](mailto:diane@friendsofkids.com). You'll see what we mean as soon as you meet her!

# Caught in the Spotlight!

## Program Spotlight: Toy Chest Program creating smiles all the time!

Among our many favorite ways to put smiles on the faces of kids with cancer, our **Toy Chest Program** is at the top of our list. This program is designed to help ease anxiety, offer distraction and give something to look forward to for a child going through radiation treatment.

"Getting gifts/gift cards during radiation gave my son a ray of sunshine and smiles on an otherwise cloudy, dreary day. Aiden went into radiation scared and upset, but always left smiling and talking about what he received from Friends of Kids with Cancer. We are so grateful for everything they do!"

Kids would much rather be going to school or being with their friends than having to lie perfectly still under the big, intimidating, and even scary machine. The Toy Chest Program is a wonderful way to offer a reward. Every time a child has to go in for radiation, there will be a toy waiting that is personalized just for them. We find out exactly what the child likes and send enough toys for everyday of their treatment. Whether it's 20, 40 or even more days, we got it covered!

It has been encouraging to hear how survivors look back at radiation treatment and don't think of it as a "bad thing" because of this program. And so, we are thrilled at what a huge success this has been. We are truly appreciative of all the amazing toy donations we received this and every year. Thanks to **you**, we have a wonderful variety of toys to pull from and make sure each of our special kids get something that will certainly make them smile.

## Kids Helping Kids: Brother of patient organizes fantastic Toy Drive!

Ezra Leslie is 8 years-old and his older brother Caleb is a 12 year-old patient at Mercy Hospital St. Louis and the Cardinals Kids Cancer Center. Ezra wanted to honor his older brother's battle with cancer by organizing a toy drive that would benefit Friends of Kids with Cancer!

After posting an incredibly touching video on Facebook, talking to his school's administrators, his parent's business contacts, friends, family and everyone else in the community, the Toy Drive began.

Ezra is a 3rd grade student at Pond Elementary School and worked with school administrators to receive toy donations from students! Additionally, several supporters mailed new toys to the 'Friends' office. One group that supported Ezra's Toy Drive were students from Lindbergh High School and their Sunday Night Lights fundraiser.

After several short weeks promoting his efforts and requesting new toys to donate, Ezra visited the 'Friends' office to deliver his final collections. Ezra honored his brother's battle with cancer by raising more than \$1,500 of new toys to fill the Friends of Kids with Cancer Toy Closet!

**Thank you to Ezra for organizing such an awesome fundraiser! So many other patients and siblings in the treatment centers will smile because of the toys you collected!**

## Volunteer Spotlight: Bob Bayer and Maddie's Wish Dance on March 28!

Almost like clockwork, every Tuesday at Friends of Kids with Cancer, we have a tremendous volunteer visit the office and his name is Bob. Bob became part of our family during his daughter's battle with cancer. After he lost his precious Maddie, he became motivated to get involved in almost every way possible. Witnessing Bob's tremendous volunteerism for 'Friends', it reminds us of the positive impact we were able to make on Bob's family and on Bob.

It's tough to explain all that Bob Bayer does and has done for 'Friends'. He is our regular Tuesday volunteer and we have become very dependent on everything he accomplishes for us in one day. Bob is willing and eager to work any fundraiser or event whenever possible. He even volunteers on his vacation time. But most importantly, Bob started "**Maddie's Wish**", a fund in memory of his daughter. He raises funds to send our patient families to musical productions, whether it's at a theatre or on ice, all of them were Maddie's favorites!

You can support Bob and 'Friends' by attending the **2nd annual "Maddie's Wish" Dance and Raffle on March 28**. The event will be held at Professional Firefighters of Eastern Missouri (PFEM) Banquet Center from 7-11 pm. Ticket and sponsorship opportunities are available at [www.friendsofkids.org](http://www.friendsofkids.org).

## Corporate Spotlight: CPC Logistics helps send patients to sporting events!

CPC Logistics has been associated with Friends of Kids with Cancer for almost ten years. The relationship started when Hunter Bickel, grandson of John Bickel Sr. and son of John Bickel Jr., was diagnosed with cancer at the tender age of 15 months. CPC was so moved when they witnessed all that Friends of Kids with Cancer did for Hunter, they personally wanted to provide a special opportunity to children dealing with the challenges of having cancer.

Being season ticket holders for the Blues, Cardinals and Rams, the company periodically started donating their unused tickets to Friends. In 2014, these caring men sent 44 kids to the Redbird Club for Cardinals games, 27 kids to the Rams games and several lucky takers to a Blues game. For many of them, this was a "first-time experience" and their generosity made special memories with lots of smiles.

A special mention to Doug Crowell, President & CEO of CPC and Larry Foltz, Vice President of Operations for their generous contributions to our families. Thank you CPC Logistics for helping kids with cancer...be kids and we encourage other companies and individuals to remember Friends of Kids with Cancer for your unused tickets.
