

BINGO NIGHT FOR KYLIEE!!

Family Friendly event!!

Come out for a day of fun and support Kyliee and the Dettling family in their journey against ALL! Kylie is a bright, funny, social, and artistic 10 year old girl. On Valentine's Day 2017, Kyliee was diagnosed with Acute Lymphoblastic Leukemia (ALL). Since then, she has been courageously battling the disease while keeping her head held high. She continues to inspire those around her with her positive outlook on life! Kyliee lives in Washington, Mo with her parents and younger Sister Skylarr. Although treatment is moving along, the family is struggling with finances due to costs of treatment. We have pulled together as a community to have a benefit in hopes of helping offset some of their medical expenses; so they can focus on what is important. Bingo night will have several rounds held with prizes. Auction and raffle items will be available thanks to local businesses and support! Pizza will be provided courtesy of Moe's Pizza, Washington. Desserts provided courtesy of Schulte's Bakery, Washington. Snacks, wine, and drinks available. Beer available for purchase through Elk's Lodge. Please bring cash to event. Some Credit/Debit may be accepted day of event. Family friendly. Saturday, December 15th from 2-7!
