

Our Mission

Friends of Kids with Cancer is devoted to enriching the daily lives of children undergoing treatment for cancer and blood-related diseases.

Our mission is to be an advocate for these special kids and provide them and their families with the recreational, educational, and emotional support needed throughout the long hours of chemotherapy, illness and isolation.

Friends of Kids with Cancer is a local

St. Louis charity. Thanks to the

fundraising efforts of programs like

Hats On Day, *Friends* now maintains

many programs to assist pediatric

cancer patients and their families.

Arts and crafts supplies, toys, DVD's

video games, treats, and parties help

to keep the atmosphere positive

during treatment. EdMAP tutoring,

Crisis Intervention, Art & Play

Therapy and other programs help

kids and their families maintain a

bright outlook for the future as they

battle this disease.

Thank you for helping kids

with cancer...be kids!

How Can Your School Participate?

◆ Designate a contact person for your school.

◆ Mail or fax your information to the "Friends" office and you will receive a starter packet and stickers.

◆ Designate volunteers to sell stickers and collect money.

◆ Use the flyers we provide along with your own to advertise the event prior to "Hats On Day."

◆ After your successful "Hats On Day:" send a check representing the money raised by your school to:

Friends of Kids with Cancer

Hats On Day
