Dear Friend,

I would like to invite you to support our Mouse Derby: Run for the Roses! on May 18th at the Sunset Hills Community Center. All sponsorships and donations help kids with cancer being treated in the St. Louis area. **The most important element in all of this is the cause.** Here are some of the many ways Friends is able to help the children and their families through our Educational, Emotional, and Recreational programs thanks to your support of our Mouse Races;

***For a child suffering from cancer (along with their siblings and parents) your sponsorship will provide...**

- ***Art Therapy** so that the kids can openly express their feeling, confusion, and fear.
- ***Educational and Motivational Assistance** (tutoring) developing self-esteem and more motivation while combating long term cognitive effects caused by severe cancer treatments.
- ***Play Therapy** to allow kids with cancer to express their feelings about themselves and experiences using various play media.
- ***Treat a family to a special outing AWAY from his/her treatment center.**
- ***Toys for the toy closet** to help erase all the bad episodes of their painful treatment.
- ***Special Assistance/Relapse Gift** to boost their morale and give hope, comfort, and energy

Can you imagine a better use of your sponsorship...plus, it's tax-deductible!

Please see the attached information for sponsorship and participation information. We will be having a raffle as well so any items or certificates to fill the baskets with is greatly appreciated! I would be happy to meet with you to explain further the exciting new things we are doing to help kids with cancer...be kids. Thank you for your consideration.

Warmest regards,

Your Friends on the 2019 Mouse Race Committee
